Nautical Philosophy

One night came on a hurrican
The sea was mountains rolling
When Barney Buntline turned his yeye
And cried to Billy Bowling—
There is a sou wester coming Billy
Don't you hear it roar now
Lord help em how Pitty them
unhappy folks on shor now

The girl I Left be hinde n
my Parents reared me tenderly .
They had no child but me .
Til i beeing bent on rambling .
And could not with them a gree
So i bean a rover seron Which
grears my hart full soar
I Left my aged Parents
That i never Shall them more
The girl I left Behind me
